EXECUTIVE PERFORMANCE SUMMARY

Data-driven Operations Leader with an M.Sc. in Computer Science and over 4 years of hands-on experience optimising production pipelines, scheduling, and logistics for the US promotional apparel market. Proven track record of managing end-to-end supply chain architectures, driving \$5.93M in verified cumulative revenue, and implementing automations and SOP networks to scale operations. Expert at bridging technical data infrastructure with shop-floor manufacturing efficiency to eliminate operational variance.

CORE STRATEGIC METRICS

FULFILLMENT SCALE	CAPITAL EXECUTION	SYSTEMS INNOVATION
\$5.93M Cumulative Revenue \$1.44M+ Net Profit Realized	- USD \$4.5M Tender Executed - Global Supply Network Governance	15+ Scientific Publications 312 Citations (h-index: 10)

CORE COMPETENCIES

Production Architecture Production Planning & Control (PPC), Capacity Scheduling, End-to-End Workflow Optimisation.	Operations Technology System Integration, ERP/PLM Data Synchronisation, AI-Agent Reporting, Process Automation.
Supply Chain & Governance International Procurement, Contract Negotiation, Multi-Million Dollar Vendor Management, Global Compliance.	Leadership & Scaling SOP Design (Notion/Loom), Cross-Functional Team Oversight, KPI Mapping.

PROFESSIONAL EXPERIENCE

Production Lead (Operations & PPC Architecture) <i>The Collegiate Lineup LLC, Tampa, FL, USA (Remote)</i> - Directly own the production planning, capacity scheduling, and procurement backbone for a high-volume US promotional apparel operator. - Executed 45.9% of total historical organisational output, driving \$5.93M in verified cumulative revenue and \$1.44M+ in net profit. - Designed and deployed automated reporting mechanisms and cloud-based workflow structures to synchronise data pipelines between vendor manufacturing facilities and fulfilment nodes. - Manage international procurement, evaluate vendor compliance matrices, and approve final payments across multi-tiered supplier networks. - Maintained operational continuity during structural team scaling, systematically identifying and resolving production bottlenecks to protect over \$650K in at-risk annual value.	May 2022 - Present
---	---------------------------

Head of IT Department

Mar 2019 - Jul 2022

Dhaka Central International Medical College Hospital, Dhaka, Bangladesh

- Served as senior technology executive reporting directly to the Chairman, leading cross-functional technology strategies, privacy functions, and infrastructure deployment.
- Structured and managed complex networks and enterprise software deployments across Pharmacies, Diagnostics, Logistics, and Administration.
- Directed in-house engineering skill development and governed critical SLA matrices for high-value technology vendors.

Head of Operations

Jul 2017 - Feb 2019

Innovative Trade, Dhaka, Bangladesh

- Oversaw institutional finance operations, technical assets, regulatory compliance frameworks, and business development initiatives.
- Successfully executed a USD \$4.5M International Competitive Tender from Singapore, earning the organisation's highest individual performance honour.
- Designed and deployed internal operational policies and CRM tech stacks that modernised customer service response times and workforce productivity.

Coordinator - Operations & Networks

Aug 2014 - Jul 2017

Lexicon Merchandise, Dhaka, Bangladesh

- Managed corporate procurement strategies, contract negotiations, and provider integration functions.

EDUCATION & CERTIFICATIONS

M.Sc. in Computer Science

Aug 2012 - Jul 2014

South Asian University (SAARC), New Delhi, India (2014)

Awarded 100% Tuition-Waived SAARC Silver Jubilee Scholarship | Awarded Bangabandhu Fellowship in ICT by the Ministry of ICT, Bangladesh

B.Sc. in Electronics & Telecommunication Engineering

2006 - 2010

Daffodil International University, Dhaka

Language Proficiency: English - IELTS General Band 7.0 (CEFR C1) | Native Bangla

PUBLICATIONS & RESEARCH OUTPUT

Author of 15+ scientific publications in international journals on Machine Learning, Automation, Image Analysis, and Cloud Infrastructure. Accumulated 312 citations with an h-index of 10 along with an i10-index of 10.
